Dear ANMTA Member,

The current ANMTA Board of Directors strive to strengthen our partnerships and have established goals to present content-filled conferences! As ANMTA ends its 45th year, our goal is to assist attendee's planning, especially since **Today is the Future!** Therefore, the ANMTA Board of Directors and I invite you to the **2017 Fall Conference** located at WeKoPa Resort in Fort McDowell, Arizona, October 2-4. Although all conference materials are now available on line -- [link to ANMTA Fall Conference page](#) -- the agenda and all supporting documents are attached to this letter. Upon review of the agenda, you will see that no Thursday morning training session will occur, but Wednesday is a full day of speakers, association updates and closes with a fun filled banquet.

ANMTA has negotiated a room rate of \$129 at [The We-Ko-Pa Resort](#). This great room rate and the ANMTA room block closes September 12, 2017. If calling to make you room reservation, be certain to mention ANMTA; otherwise, following is a custom ANMTA reservation link for your use:

Let us also not forget the objective of the ANMTA organization to assist those individuals who desire to further their education and acquire the knowledge and skills to be better prepared to participate in the future employment marketplace. The 2017 Scholarship Application process awarded twelve (12) \$1,000 scholarships earlier this year. The Tuesday evening Silent Auction is an exceptional way to support this ANMTA joint venture by your participation. The scholarship process begins March 15 next year so, watch for that information in early January 2018!

Your attendance to our conference helps ANMTA meet its mission statement "**To promote education, provide information, and expand our knowledge of rural telecommunications and broadband solutions.**" Please continue your support as we hold our 2017 Fall Conference and prepare for the upcoming 2018 Spring Conference at Loews Ventana Canyon in Tucson, Arizona on May 7-9, 2018. **PLEASE SAVE THIS DATE!**

If you have any questions or concerns please feel free to contact me or any of the Board of Directors.

Best Wishes,

Troy Judd
ANMTA President – 2017
