The Future is Today

…..or is it???
Technology is anything invented AFTER YOU WERE BORN!

~Alan Kay
Broadband Usage Based on Phase of Life

TIME + ENERGY - MONEY = YOUTH

These are broadband users who may go online A LOT, but may not pay for it themselves.
This customer uses a lot of broadband, but doesn’t typically have spare time to explore.
This customer may be a late adopter, but could be the BEST opportunity for rural broadband providers.
If I’d had asked people what they wanted, they would have told me faster horses. ~Henry Ford
He didn’t ask what people wanted, he figured out what they needed!
